

CalTTC Open Play:

- Large group Open play.
Come to meet other people
and challenge new people.

Most Current CalTTC Open Play
Schedule

RSF Open Rec:

- Small groups with more
flexible times.

Most Current RSF Open Rec
Schedule

Am I good enough to join?

Sessions are open to players of all skill levels!

We have loaner paddles available and multi-ball training.

Prevent Damage

The tables get damaged when the red latch is not closed properly and one half of the table slams to the ground. The tables marked 'do not use' require the net to be removed. Please remove the net before closing to avoid damage. The tables marked with green have built-in nets and do not require the net to be removed. The red latches on the tables do not work.

Competitive Team

If you are interested in joining our competitive team, lookout for an announcement on our social accounts in the Fall. Tryouts are usually around in October. Email calttc@gmail.com if you have any questions.
